RESPONSIBLE PARTY FOR FINAL STABILIZATION

NAME _____ PHONE _____

(The establishment of vegetation or the proper placement, grading, or covering of soil to ensure its resistance to soil erosion, sliding, or other earth movement)

NOTE: All disturbed soils need to be stabilized within 5 days of project completion in accordance with Rule 1709, subsection (5) of Part 91 of NREPA Act 451, of 1994 as amended.

*Permittee agrees to indemnify the County of Clare and all of its departments, agencies, boards, commissioners, officers, employees, and agents from any and all liability arising under or in any manner related to the issuance of the Permit or the privileges granted under this Permit.

*The property owner, contractor, and any agent in obtaining the Permit are held responsible to insure the project is constructed in accordance with all drawings and specifications contained in this Permit.

*The permittee hereby acknowledges and accepts sole liability for any injury to persons or property which may result from the activities authorized by issuance of this Permit.

** I understand that payment of the application fee does not guarantee a permit. **

In accordance with Part 91 of NREPA Act 451, of 1994 and its corresponding general rules, and the undersigned hereby submits this application and site plan which is to be followed in detail. I hereby authorize the Soil Erosion Control Agent to inspect this project site.
