JUNE 25TH 5PM

Forest Health Workshop

Something bothering your trees??

Join us June 25th at 5pm for a presentation on forest health problems in Michigan. Foresters Russell Kidd and Kylee Berger will be conducting this workshop that will also include a Show & Tell session. Kylee is the Clare-Gladwin Conservation District FAP forester while Russ is recently retired after a 30-year career with MSU Extension. Topics to be covered include: Emerald Ash Borer, Beech Bark Disease, Oak Wilt, Gypsy Moth and other insect and disease problems in our own backyards! Information on the life cycle and occurrence of these pest problems as well as control and management options will be discussed

If you have examples from your trees bring them in for show and tell!!
