APRIL 7TH 6PM—7:30PM

Fruit Tree 101

Fruit Tree Fertilizing, Fencing, Planting, and Pruning....

Plan on planting some fruit trees this year or already did last year but not sure what to do next?

Join us April 7th at the Gladwin County Library for an informative presentation on fruit tree care. Wes and Cyndi Alexander, retired Virginia Tech agronomists, will be informing us on how to test your soils before planting, basic tree planting and pruning techniques and information on fertilizing and fencing to keep trees safe from wildlife.

When: Thursday, April 7th

Time: 6:00 pm—7:30 pm

Where: Gladwin County Library

402 James Robertson Drive Gladwin, MI 48624

Cost: Free

Please RSVP at (989) 539-6401

Email: kylee.berger@macd.org
